

# SHELLED HARD-BOILED EGGS

## Your use

Shelled hard-boiled eggs meet the requirements of food services professionals (cafeterias, institutional kitchens, central kitchens and sandwich and salad-makers).

## Our product

Hard-boiled shelled eggs from Servis'Oeuf are sourced from our French producer members. They provide the following to professionals: time-and energy savings, convenience and quality. Adapted to assembly cooking, their use is ideal for entrees, mixed salads, sandwiches and hot cooked meals.

## Benefits of Servis'Oeuf

- Eggs of French origin from producers who adhere to the health and hygiene charter
- Egg yolk colour between 9 and 12 (DSM scale)
- Cooked and shelled between 5 and 15 days after being laid
- Aesthetic appearance, intact form, absence of green ring around the yolk
- Disposable packaging in accordance with food hygiene rules
- Data tracking
- Removable tag for customer service follow up
- Automatic weekly monitoring in the laboratory of end products made from the eggs
- Respect for the EU hygiene package's bacteriological regulations
