

FRESH EGGS IN CARTONS

Your use

Date-marked eggs in cartons meet the requirements of a large number of professionals to be resold in shops (butchers – delicatessens; cheese sellers, corner shops etc.)

Our product

Fresh eggs from Servis'Oeuf come from French producers under the banner of la Ferme du Pré. Freshness, taste, ease of packaging and traceability ensure they satisfy all of their consumers.

Benefits of Servis' Œuf

- Eggs of French origin from producers who adhere to the health and hygiene charter
- Respect of EU Regulations
- Respect of animal welfare laws
- Eggs collected 6 days a week
- Egg yolk colour between 9 and 12 (DSM scale)
- Inspection: detection by resonance of eggs with micro-cracks
- Inspection: by camera according to aesthetic criteria
- Ultraviolet treatment of shells in order to ensure any eventual external contamination
- Electronic sizing
- Data tracking
- Automatic weekly monitoring in a laboratory of end products made from the eggs
