

# FRESH EGGS IN SHELLS

## Your use

Our fresh eggs fulfil the requirements of a considerable number of professionals (restaurants, caterers, baker-confectioners) as a component of a product or for a specific presentation.

## Our product

Fresh eggs from Servis'Oeuf come from French producers under the banner of la Ferme du Pré.

For professionals wanting to know the origin and the quality of their products, the eggs are identifiable by a food grade ink mark on their shells which guarantee their complete traceability.

## Benefits of Servis'Oeuf

- Eggs of French origin from producers who adhere to the health and hygiene charter
- Respect of EU Regulations
- Respect of laws of animal welfare
- Eggs collected 6 days a week
- Storage at controlled temperature
- Egg yolk colour between 9 and 12 (DSM scale)
- Inspection: detection by resonance of eggs with micro-cracks
- Inspection: by camera according to aesthetic criteria
- Ultraviolet treatment of shells in order to ensure any eventual external contamination
- Electronic sizing
- Resistant cover-packaging adapted to multiple handling
- Data tracking
- Removable tag for customer service follow up
- Automatic weekly monitoring in the laboratory of end products made from the eggs
